

For decades, RBC graduates have gained acceptance to a wide range of colleges and universities each year. On average, each class has competed successfully for seats at over 200 of these institutions. The Class of 2016 adds its list of 242 to a legacy of fine schools. Included in this list are 30 of the top 50, as published by *Money Magazine* in 2016. Caseys are attending schools in 24 states and Canada. They have also distinguished themselves in specialized schools of business, science, pharmacy and engineering. Fifty percent of our graduates attending these schools are women.

The following is a partial listing of schools to which our students have been accepted in the past four years.
