13 INDIVIDUALS, 2 TEAMS & 3 COACHES WILL BE HONORED AT THE 2022 ATHLETIC HALL OF FAME EVENT

On June 11th, the 2022 Class of Honorees will be inducted into the RBC Athletic Hall of Fame.

"We're looking forward to hosting the event honoring such an elite group of athletes and coaches," Athletic Director, Joe Montano stated.

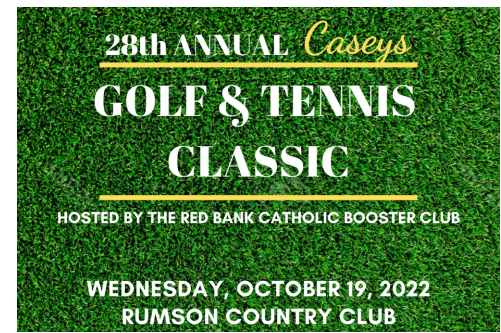

"There are individuals, teams, and coaches ranging from 1954 to 2006 and we're looking forward to welcoming everyone back to campus."

This year, the event weekend will begin Friday evening, June 10th, with a cocktail reception from 5:30-7:30PM in Tradition Hall in the Eck Center. Saturday, June 11th, at 5:00PM, the official induction event begins with mass at St. James. The weekend events mark a wonderful way for the Alumni community to come together and celebrate! We invite all Alumni, family, and friends to attend both or either event! 100% of the funds raised go toward student scholarships.

PLEASE TAKE OUR 2-MINUTE ALUMNI SURVEY

The Alumni Office has created a brief survey to gather more information about our Casey Alumni community and how you'd like to engage with RBC. Your participation in the survey will help us improve how we communicate with you and better understand: what your interests are, what you've gone on to do after your years at RBC, and how you might want to reengage with RBC to share your expertise and interact with the Alumni community. We sincerely thank you for completing this [survey](#)!

INNOVATION, FLEXIBILITY AND ADAPTABILITY ARE DRIVERS BEHIND THE NEW PATHWAYS PROGRAM

Student success is at the heart of the mission of RBC. This is demonstrated in the continual evolution of programming and curriculum to prepare students for their next steps. With this in mind, the "Pathways Program", developed by experts in education and the respective pathway focus areas, was launched in the fall of 2021. The Program allows students to choose pathways to explore their possible future career interest. Pathway options include: Arts, Media and Entertainment; Business and Entrepreneurship; Criminal Justice and Law; Engineering and Design; Health and Medical Sciences; and, Social Science and Humanities. The goal of the program is to expose students to the skills, knowledge, and abilities of a chosen path to help them chart their course forward. [Learn More About Pathways Here](#)
